Internet Media Directory

Accurate media information is critical to the success of your PR campaigns. But keeping up with all the changes in the media — thousands every day — is all but impossible. And that’s where Bacon’s Media Directories come in. Bacon’s brings you the power of its proprietary media database. And no one else comes even close to the depth and breadth of our media information! All our information comes from the media first-hand. What’s more, Bacon’s experienced research editors scrupulously check and re-check every single detail before publication.

Internet Media Directory
Access detailed information about online editors and more than 15,000 Internet news sites, organized by media type, geography and subject matter.

• Daily and community newspaper sites
• Business, trade and consumer magazine sites
